

THE XAVARIAN

2018-19

Mohali

Mr. A. J. Gosain
Founder and Rector

The New Year 2019 brings new vigour, hope and eagerness. We all are blessed with the Almighty's greatest gift of life. Let's all look into ourselves and ask ourselves who we are and what is our purpose on this beautiful planet Earth. Shunning books and education keeps us away from awareness. Working hard brings out the better side of us. We all need to respect everything that has life and work towards protecting and preserving it as in this lies the well being of all humanity. St. Xavier's Schools are serving humanity and the Xavarians stupendous academic and Co curricular results makes us all proud and we thank the Almighty for His benevolence, grace and love and seek the same for the future. Since the past two years efforts have been made to reduce the volume of text books, and lighten the bags of students. Parents are requested to kindly cooperate. Soon, E. Banking via the School App, will facilitate the payment of School and Transport Fees which will be purely optional. The response of parents to St. Xavier's International School at Zirakpur is great and we look forward to a greater serving. God bless you all with good health and a happy future.

Mr. I. William
Chairman

Ms. Georgina Roy
Principal

Welcome to the 2019-20 school year of St. Xavier's High School!

The upcoming school year brings all of the excitement of new beginnings, new experiences, new opportunities to learn and grow. The enthusiasm of children reminds us that each child comes to school with tremendous hope and anticipation for their best year. Every Teacher, Principal, Staff member, and Parent plays an important part in making this year a great one for each child. We want each child to develop the skills they will need to be successful in the 21st Century – effective communication, collaboration, critical thinking, creativity, and character.

St. Xavier's High School, the "School With a Heart," believes in educating the child and including our community members in the educational process. Another year of learning, wonder, and fun lies ahead. We are excited to have our students return to campus and look forward to all the gains we will achieve this year. See you on campus!

OUR SHINING STARS

Congratulations

WE ARE PROUD OF YOU BOTH!
